Invitation :

We take pride and pleasure to invite you and your faculty members to be a part of the first **Interdisciplinary International Conference** that is to be held in our College on the topic "Impact of Social Welfare Schemes in India". The conference will be held on 16th February, 2019.

About the Institution :

Achievers College of Commerce & Management was established in the year 2013 through dedicated efforts of Shree Dnyanraj Mauli Shikshan Seva Mandal, Kalyan, which was founded by the eminent personalities of Kalyan.

The College is a Night Degree College affiliated to the University of Mumbai offering various UG & PG courses. It is an ISO certified educational institute. In very short period of time the College has become well known institute in the city of Kalyan and surrounding area.

About the Conference

This conference will provide a platform to disseminate new ideas, trends and methods for understanding the current scenario and addressing issues if any in the context of Social Welfare Schemes in India. With the inputs and scholarly approach of leading academicians and researchers a whole new avenue for further research work in the said stream and alike would open up. Thorough study of the government schemes and policies, interaction and discussion with valuable experiences, sharing and exchanging views and ideas will contribute to the social welfare of the society which is extremely essential in the present context.

Goal

To highlight assumptions and priorities, scope and limitations in majority of social welfare schemes introduced in India. To come out with some concrete suggestions and conclusions and strengthen the area of implementation focusing both on strong and weak points of implemented schemes for the effective functioning and mobilization of Indian resources and accelerating Indian economy.

Objectives

- To create awareness about various social welfare schemes in India in the global context.
- To study the impact of Indian Welfare Schemes on various classes of population in India.
- To study the implementation process of different Welfare Schemes.
- To study role of Indian Government and implementing authorities in effective deployment of such schemes.
- To encourage every Indian beneficiary to be a constructive resource towards the channelization of different schemes throughout the nation.
- To develop the role model of National policies for upcoming countries.
- To focus on the various problems related to such welfare schemes in India.
